

Rubber Pads

FOR STEEL TRACKED EXCAVATORS

In addition to our comprehensive range of rubber tracks, Osprey Industrial also stock a complete range of heavy duty rubber pads to suit steel tracked excavators from 3 – 22 tonnes. This allows you to gain the advantage of rubber tracks when working on finished surfaces but with the strength offered by steel tracks.

Our top quality range includes bolt on, clip on and direct bolt to chain pads to suit a wide range of machines and applications and all are manufactured in an ISO9001 approved factory.
